COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

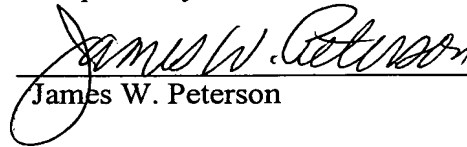

The allowance of the above-captioned application is acknowledged with appreciation, and the following comments are respectfully submitted in connection with the Examiner's statements made in the Notice of Allowance.

With regard to the "Other Submissions on April 19, 2005" referred to at page 2 of the Notice of Allowance, it is respectfully pointed out that the documents referred to were submitted on April 19, 2004 as opposed to April 19, 2005. As for these documents, an executed Declaration and Power of Attorney was attached to copies of the specification and Preliminary Amendment as filed on December 24, 2003 (note that the "is attached hereto" box is checked on the Declaration and Power of Attorney). In other words, the copies of the specification and Preliminary Amendment submitted on April 19, 2004 were the same as those submitted on December 24, 2003.

With regard to the Examiner's statements at page 3 of the Notice of Allowance regarding non-English documents submitted with the First Information Disclosure Statement of April 19, 2004, it is respectfully pointed out that page 2 of the First Information Disclosure Statement included a paragraph pointing out correspondences between three foreign patent documents and three U.S. Patent Application Publications. That paragraph also pointed out that a foreign article contained an English language summary.

Date: October 5, 2005

Respectfully submitted,

James W. Peterson
